Matachewan Recreation Committee is looking for ideas regarding Canada 150. We ask that community clubs and organizations step up and help us to host events throughout the week leading up to Canada Day. We would like to meet with all interested organizations and individuals so that we can start planning now. Tentative meeting dates are February 9, February 16 or March 2nd. Please call Dianne at 705-565-2567, Therese at 705-565-2274 to confirm attendance of your club, committee or organization as well as to provide us with a date that would best suit you. Any one can attend, volunteers are welcome to the meetings, and your assistance will be greatly appreciated.

*Dear Friend,  
I am having a wonderful time here in Beautiful Matachewan. Recently the Matachewan Recreation Committee has been busy planning events and activities celebrating Canada's 150 birthday. They are asking residents of all ages to create postcards. They would love to have these works of art printed as souvenirs and keepsakes. If you have an idea that represents what Matachewan or Canada means to you, send in or drop off your drawing to the municipal office. I have included the email and post office address. Have a great day and I hope to hear from you soon.*

### Matachewan Recreation Committee, Celebrating Canada 150.

The Matachewan Recreation Committee is starting to fundraise for an open air gazebo that will be located at the public beach. This will provide a shady spot near the water for residents and visitors of the community to sit and enjoy the outdoors. We thought creating a community cookbook would be a fun way to raise money for this project. Do you have a recipe you would like to submit? If so, please join our spirited team and help us create something mouthwateringly delicious! All recipes must be given to Therese at the Municipal Office on or before February 28th.
